

Cross-discipline workshop May 27

Information on the cross-discipline workshop May 27

The workshop is open for members of the OG21 board, OG21's Technology Groups (TGs) and invited guests. Invites have been sent by e-mail.

The workshop will be digital. The Teams-platform will be used.

Agenda

Links to meeting rooms

There will be plenary sessions in the main meeting room, and discussions on 4 specific topics in separate meeting rooms. Links to meeting rooms:

[The main meeting room for plenary session.](#)

[Topic A meeting room:](#) Reduction of GHG'es while maintaining production and replacing reserves.

[Topic B meeting room:](#) Cost reductions while improving safety.

[Topic C meeting room:](#) Digitalization – realization of effects while managing cyber risks and other concerns.

[Topic D meeting room:](#) The energy transition and job creation.

Participants and distribution in groups

There will be 4 topics split on 4 group meetings and 4 sessions for all topics. All participants will therefore have the opportunity to discuss all topics.

In [this list](#) we have indicated which session each participant will participate in. We would like that people adhere to the plan, but if for some reason you cannot or that you don't find your name on the list, please go to the meeting room that best suits your interests.
